Mrs Miller: Yes, he was very handsome.

Luca: Did you have flowers at the wedding? What colour were they?

Mrs Miller: I had lots of flowers with many different colours but mainly Blue and White.

Odessa and Thea Enrolled Into Our School For A Short Visit.

Shyanne interviewed new friend Odessa:

Shyanne: *What have you enjoyed most about Penrose School?*

Odessa: I like how you get to do lots more stuff. At our school in Canberra, we have 421 students so we don't have the funds or time to do the great things like cooking that Penrose gets to do.

Shyanne: *What have you enjoyed most about Penrose?*

Odessa: Tree Day. Your school is half bush, while our other school is next to a main road.

Shyanne: *What are the Penrose children like?*

Odessa: Friendly. I have made a couple of friends as we settled in well quickly.

Shyanne: *We heard that your mum came to Penrose School when she was little, is that true? Who were her friends?*

Odessa: Yes, mum came here, as to did Uncle Laurie and mum's cousins Genevieve and Adam. Mum's friends when at school where Alex Cretny and Lauren Sperzel.

Amelie interviewed new friend Thea:

Amelie: *What school did you come from?*

Thea: A school in Canberra, Ainslie Public School.

Amelie: *Why did you choose to come to our great school?*

Thea: Mum use to live in Penrose and we are visiting Lani (our grandmother) for 2 weeks.

Amelie: *What did you think was interesting about our school, and how is it different to yours?*

Thea: We have enjoyed our stay and made some friends like Amie, Heather and the gang which I hope to catch up next time we come to Penrose.

Rinka And Yuyu Visit Us From Japan.

We are very lucky to have two lovely students attending our school next week. Rinka is 10 and she will be in the 3-6 classroom while Yuunoshin is a 7 year old boy who will be placed in the K-2 classroom. They have been staying this week with May Kaczerepa's family, and next week the Gillis family. May has kept us up-to-date on the new students starting next Monday. Penrose students were fortunate to meet the children during Tree Day. Please if you get a chance introduce yourselves to them and their mum Yumi.

Kareela: *Where do they come from May?*

May K: They come from Japan, from a place just outside Tokyo called Yamanashi.

What is it like to have them staying with you?

May K: Really good, they are very polite and have great manners. They like to not only drink Green tea but also have lots of things with Green Tea. They even have Green Tea Kit Kats. I find their culture fascinating, including their interesting native animals like the monkeys that like to sit in the hot spas. They also have an Alphabet song but very different to ours and they write not in letters but characters. They don't watch too much TV as they have to do a lot of study.

Kareela: *Tell me more about them?*

Rinka likes tennis, drawing and piano and I think her favourite subject is Maths. While Yuunoshin likes Football and his favourite subject is Sport..
