Term 2 week 3

Thursday 11th May 2017

District cross country

By Heather

On the 5th of May, Lilly and I went to district Cross Country. We arrived at the Robertson oval and it was very cold and windy! We walked around the track at 12:45 and raced at 1:00pm. We were very nervous! The run was a 3 kilometre run and it was a bit slippery and rocky. Lilly came an amazing 1st place and I came 7th. Congratulations, and Lilly will be off to regional at Cambewarra. Good luck!

Book club

Issue 4 will be sent home on the 31st of May.

Principal's Message

This term in the classroom the students have been learning to be active learners and manage their own time by using contracts. The contracts let the students know what they need to do daily or weekly. This allows the students to have a choice of when they complete some activities during the week. Also students have been completing history inquiry questions, they have been so involved that many of them do not want to stop work for recess or lunch!

Last week Mrs Ellsmore attended a Road Safety course and this will be our focus during Health and Personal Development this term. We will keep you up-to-date with safety information through the newsletters this term.

Car Park

Parents, in the interest of road safety please ensure that you collect your child from the COLA each afternoon. Also please remember to hold your child's hand when in the car park.

Opportunity classes

Year 4 parents if you are interested in your child attending an opportunity class in 2018, please contact the school.

Facts

A U.S. dollar bill can be folded approximately 4,000 times in the same place before it will tear.

Cockroaches can live for several weeks with their heads cut off, because their brains are located inside their body. They would eventually die from being unable to eat.

Beetles taste like apples, wasps like pine nuts, and worms like fried bacon.

Easter hat parade

By Ami

At the end of last term we had the Easter hat parade. When we came out of the classroom we saw the Easter bunny had made a visit, so everyone collected the eggs the Easter bunny had left for us. Everyone's hats looked amazing. After the parade was the Mad Hatter's tea party where we had amazing cakes and party food.

Police visit

By Mei

Last week a policeman came to run a 'Keeping me safe' program at school and he showed us what to do when we are in trouble. He showed us some of his equipment. For example he put hand cuffs on our hands then took them off. The handcuffs were kind of heavy. If we are in danger we are meant to say "Stop, Go Away and I don't know you".

Ernie's 101st birthday and Daffodil Morning tea

By Oscar and David

Last week the school performed at the Daffodil morning tea. We sang 'Flea' and 'Anytime You Need A Calypso'. Maria Dunn played beautifully on the guitar. After that we sang along to the piano played by Ian with everyone else. We also celebrated Ernie's 101st birthday
